**Surf & Sand Resort** in Laguna Beach hired **RON FOUGERAY** as its executive chef. In his new role, Fougeray will oversee the resort's culinary operations, including its seaside restaurant Splashes. New menu specials from the chef will include tartare of albacore, wild king salmon with olive oil, poached risotto and grilled lamb loin with celery root purée. Fougeray previously worked as executive chef for Bibou BYOB in Philadelphia.

*Donna Gallup*

Midway City-based nonprofit **American Family Housing** appointed **DONNA GALLUP** as its president and chief executive. The organization works to end the cycle of homelessness. A recent recipient of the ACLU's Human Rights Advocate award, Gallup has worked with human services and communities in California for decades. She has been with AFH since November 2014. ■
